### Notes:

\*Prices subject to change without notice; core prices are fluctuating very frequently!

\*All cores purchases are pending dock inspection

\*Shipping costs are not included; shipping can be prepaid or deducted from the purchase price. **We cover shipping for (4) units on 1 pallet!**

\*Payment terms Net 30 days from date of receiving the cores

\*Cores must be standing on bellhousing and completely drained of all fluids

\*Put as many engines you can safely fit on each skid for minimal handling units, which will also save on shipping costs - **We cover shipping for (4) units on 1 pallet!**
